

(REVISED LETTER) Bolling Family Lodging & Reunion Fees

(REVISED LETTER) Bolling Family Lodging & Reunion Fees:

Hello Family members,

I hope this correspondence finds you in joyful, loving, good spirits. This REVISED letter is to inform you of several important topics. Firstly that you may now make your hotel reservations at Springhill Suites 24224 Ruby Lane, Orange Beach, Alabama 36561. Tele. No 1+(251)215-8725. If you need personal assistance, contact: Sales Manager Cole Walker, 1+(843)957-4465.

I'm pleased to announce many of you have made your reservations already. Cheers & kudos to you!! A link is been provided in order to reserve your three-night stay. A group rate has been negotiated at \$169.00 nightly. This is for both a Suite with (1) King Bed and Suite with (2) Queen Beds. All rooms are subject to a 16% tax rate each night. This brings the total cost to \$196.04 each night. Your total cost for three (3) nights is \$588.12.

(Pay close ATTENTION when selecting your DATES ensuring you choose:

(Sept. 9-12, 2027) & NOT 8-12, the dates displayed on the screen. Credit cards (WILL NOT) be charged until your actual stay. Your card is used only at this time to (RESERVE, BOOK & HOLD) your room. You may CANCEL your reservation 24 hours before your stay.

Daily parking fees have been WAIVED for our reunion group. There is a FREE buffet breakfast daily at the hotel. If this is not acceptable to your dietary needs other restaurants are within walking distance of the hotel. You may read any other pertinent information on the Springhill Suites hotel website when reserving your room. The deadline to reserve your room is August 9, 2027. REMEMBER YOU DO NOT HAVE TO PAY NOW. ONLY WHEN YOU ARRIVE TO STAY DO YOU PAY. If you are a last minute person, there is always a (RISK) of no rooms being available at the initial negotiated rate. This means you will have the responsibility of reserving your room elsewhere. Early birds get the worms. Remember we will not be the only people at the hotel.

Family Fees:

Reunion fees are being broken into (2) two payments. This allows families time to save up if necessary. Everyone is on a fixed income whether you work or are retired.
